November Sales for Fowler McKenzie reach £2 million

Leading North East based roofing and cladding provider, Fowler McKenzie, today announced four significant orders for November worth in excess of £2 million.

Morrison Construction, Aberdeen has appointed Fowler McKenzie to supply the roofing, cladding and rainwater management systems to a new Community Hospital for St Andrews NHS Trust and to 6 No self contained Office Units at the New Kingseat Industrial Park, Newmachar.

The roofing and cladding to the new Fire Station Headquarters on Anderson Drive, Aberdeen will be carried out for Main Contractor Mansell and Henry Brothers from Dunbartonshire have engaged Fowler McKenzie to carry out the roofing at the new Rossie Secure Accommodation Block at Montrose.

Les Fowler, Managing Director at Fowler McKenzie commented, "These contract awards give us a great start to 2008 and ensure continuity of work for our staff as we reach completion of the 10 PP2 Schools carried out for Morrison Construction Highland and Alpha Schools."
